Additional CREW Sponsorship Opportunities for 2009:

- **Special Events Sponsor:** CREW San Diego's 2010 Calendar of Events hosts multiple sponsorship opportunities at one of our Special Events throughout the year. From sponsoring a hole at our infamous Golf Tournament to hosting one of our Member Networking Events, or the Day at the Races, you are sure to find a sponsorship on this list that will fit your needs. Sponsorship at one of these events includes recognition at the event and your company name in our newsletter as well as recognition in our monthly San Diego Transcript ad.
- **Directory Sponsor:** Sponsorship in the CREW Directory, which is sent out to all of CREW San Diego's members, gives you repeated recognition by displaying your company's color logo on one of the directory pages. You can choose from a ½ page or full page logo display ad.
- **Membership Mixer Sponsor:** Each year CREW San Diego's Membership Expo is one of our most popular events. In sponsoring the Membership Mixer, your company will be recognized with a full color logo display at the entrance to the event, as well as having your company name and logo printed in our newsletter and recognition in our monthly San Diego Transcript ad.
